the "standards of care" for the treatment of ankle injuries

Air Stirrup® ankle brace

- for functional management of ankle sprains
- anatomic shell with air-cells for either leg
- specify left (L) or right (R)

24-2656	L/R	6" pediatric	47.50
24-2652	L/R	8¾" small	47.50
24-2651	L/R	9" medium	47.50
24-2650	L/R	10½" large	47.50

AirSport® ankle brace

- combines Air-Stirrup® features with "step-in" design and automatic heel
- specify left (L) or right (R)

24-2710	L/R	x-small	50.00
24-2711	L/R	small	50.00
24-2712	L/R	medium	50.00
24-2713	L/R	large	50.00
24-2714	L/R	x-large	50.00

sport Stirrup®

- based on the Air-Stirrup® ankle brace but with a narrower design for less bulk
- one size fits all
- specify left (L) or right (R)

24-2653	L/R	one size	50.00
---------	-----	----------	-------

AirHeel™

- applies intermittent pulsating compression to tendon and fascia to help minimize swelling, promote circulation
- for plantar fasciitis, achilles tendinitis and heel pain
- universal design

24-2701	small	47.50
24-2702	medium	47.50
24-2703	large	47.50

Air Stirrup® leg brace

- management of lower leg stress and stable fractures
- available with or without anterior panel for added tibial protection
- specify left (L) or right (R)

without anterior panel

24-2668	L/R	13" small	100.00
24-2666	L/R	15.5" medium	100.00

with anterior panel

24-2669	L/R	13" small	117.50
24-2667	L/R	15.5" medium	117.50

pneumatic tennis-elbow

- provides more support with less constriction
- concentrates compression on extensor muscle, not around the arm,
- available in beige and black
- one size fits all

50-5500	one size, beige	15.00
50-5510	one size, black	15.00

drop foot brace

- aids ambulation, prevents drop-foot and toe-heel gait, gives dynamic dorsiflexion assist, plantarflexion resistance and inversion-eversion control
- injection molded for durability, easy fit and long wear
- specify left (L) or right (R)

24-1600	L/R	small 3-5	30.00
24-1601	L/R	medium 6-8	30.00
24-1602	L/R	large 9-11	30.00

Support™ AFO orthosis

- low arch and open heel fit any shoe
- provides static dorsiflexion assistance and lateral stability for entire ankle/foot area
- plastic material, gives AFO support and flexibility
- trim insole for exact shoe fit; may be modified with a heat gun
- specify left (L) or right (R)

24-1606	L/R	small/ medium	32.50
24-1607	L/R	large/ x-large	32.50
